

Job Quest

Health Career Exploration

See yourself in a career in healthcare!

Explore a career in healthcare!
Expand your networking contacts!

Job Quest is a Job Shadow program that provides:

- A learning opportunity in the healthcare field
- Up-to-date facts about a healthcare occupation
- Insight about the skills required for a specific career
- Networking contacts
- Assistance in developing communication skills
- An orientation that includes resume-building, interview tips, Career Resource Workbook, and My Health Career®

Next Steps:

Contact Andrea Palmer, HM AHEC Program Coordinator:

- 518.480.AHEC (2432)
- apalmer@gohealthcareer.org

“I liked how I got to stand by the surgeon and watch as he operated on the patient.”

*Job Quest 2009
Participant*

“I liked that I got to learn a lot of different kinds of things in the nursing field.”

*Job Quest 2009
Participant*

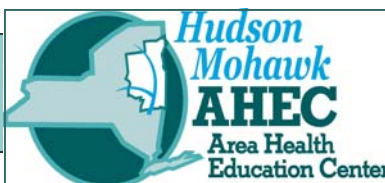

“I got to see what a pediatric nurse does on a daily basis.”
