

MedQuest 2009

MedQuest Camp 2007

Health Careers Exploration

July 20th—22nd
8AM - 4PM Daily

This summer explore health careers while making new friends and enjoying a college campus experience

MedQuest Camp features:

- Hands-on activities
- Sites visits/sessions at Albany Medical Center
- Classes to introduce students to a variety of health career opportunities

You Should Apply if:

- You are a high school student (age 16 by July 20, 2009)
- You are interested in a health care profession
- You are concerned about your community and today's health care concerns
- You like problem solving, relating to people, and using the newest technology

Cost: \$150 per student (Scholarships are available)

Includes meals, supplies, and activities for all camp days

Place: Albany Medical College

Albany Medical College Students will serve as Camp Leaders

How to Apply: Applications can be found at:

www.gohealthcareer.org
